110011 CHANDELIER HERMITAGE S NICKEL FINISH

ASSEMBLY INSTRUCTION

Turn off the electricity supply at the main circuit panel before installing. Do not connect the electricity supply until your luminaire is fully assembled and installed.

Fix the ceiling plate (A) to the ceiling by using mounting plugs and screws suitable to your ceiling type. Make sure to lead the wire through the plate.

Hang the chandelier on the hook of the ceiling plate with the canopy (B) at the lowest position. Carefully lower the lamp until the chain is taut. Straighten the chain links.

Connect the 3 power wires according to their colours . Brown is the live wire, blue is the neutral wire, green/yellow is the earth wire.

Move the canopy up until it is flush with the ceiling, tighten it with the screw on the side (C).

Place the bulbs and finally unpack the glass decorations and screw them on to the frame carefully. Several pieces spare glass are included.

CARE INSTRUCTION

Wipe clean with soft, dry cloth.

Always avoid the use of harsh chemicals or abrasive cleaners as they may cause damage to the fixture's finish.
